

## Project example

### *MS Endre Fishing Vessel – Deck equipment protection*

**OXIFREE**  
METAL PROTECTION

## Project example

### *Saipem S3000 – Deck equipment protection*

**OXIFREE**  
METAL PROTECTION

## Project Examples

**OXIFREE**  
METAL PROTECTION

### *Conoco Phillips – Britannia Corrosion On Pipe Fittings, Pipe Supports*

- Halt corrosion on pipe welds and pipe fittings until suitable time for change-out
- Halt corrosion between the pipe and pipe support
- Oxifree allows pipe to move within the U-Bolt but will still protect from corrosion

## Project Examples

**OXIFREE**  
METAL PROTECTION

### *Electricity Pylons – Germany*

Overview - Proven performance

Before and after images of flanges protected with TM198

Flanges protected with paint

Flange prepped to ST3

Flange coating removed by client after 1yr -  
No corrosion

Flange coated with TM198
